**Testimonial:**

Aluminium Windows & Shopfronts was established in 1998. We have grown from a small manufacturing plant to a successful business enterprise. Our work has been featured in December 2013 / January 2014 issue of SA Home Owner Magazine and on Top Billing for the work we did in Eye of Africa Golf Estate. We pride ourselves on our quality and our lead time on manufacturing. We recently purchased a double glazing machine which allows us to manufacture our own double glazing units faster than our competitors.
